Details of the Occurrence

Acting on intelligence inputs from the National Cyber Crime Reporting Portal (I4C), an investigation was initiated into a sophisticated multi-layered financial fraud and identity theft syndicate operating across Delhi-NCR, Mumbai, and Hyderabad. The syndicate, led by the accused **Naveen Tiwari urf Navi** (Age 38, s/o Late Dharampal Tiwari, r/o C-42 Saket, New Delhi), has been systematically defrauding senior citizens and NRI investors through fabricated KYC renewal portals and phishing SMS campaigns.

Accused No. 2: **Pankaj Mishra** (Age 35, r/o D-18 Lajpat Nagar, New Delhi) operates the technical infrastructure including cloned banking portals hosted on offshore servers. Accused No. 3: **Rohit Aggarwal urf Ricky** (Age 29, r/o Sector 62 Noida, Uttar Pradesh) manages the network of cash mules and cryptocurrency conversion pipelines. Accused No. 4: **Seema Devi** (Age 41, r/o Andheri West, Mumbai) serves as the chief money mule coordinator, recruiting vulnerable individuals to open bank accounts for layering stolen funds. Accused No. 5: **Arun Saxena** (Age 45, r/o HITEC City, Hyderabad) manages the hawala channel converting defrauded INR into USDT cryptocurrency through shell exchanges.

Investigation reveals that between 01-07-2026 and 15-09-2026, the accused persons have defrauded at least 47 victims across 6 states, siphoning a total of approximately Rs. 4.82 Crore (Rupees Four Crore Eighty-Two Lakh). The modus operandi involves sending bulk phishing SMS from spoofed SenderIDs mimicking SBI, HDFC, and ICICI banks, directing victims to counterfeit KYC renewal portals. Victims enter Aadhaar, PAN, and OTP credentials which are harvested in real-time by the accused's command-and-control server.

Evidence Recovered

1. Two laptops and three mobile phones seized from Naveen Tiwari's Saket residence.
